Hi Tom,

We have another request for a new entity related to the potential JV between ET & SUN for Permian crude oil gathering.

The name that Adam wants is ET-S Pipeline Company LLC.

Do I have your approval to form this new TX LLC?

Thank you,  
Peggy

**Subject:** New Entity

Peggy – in connection with the formation of a potential JV between ET and SUN for Permian crude oil gathering, we will need to set up a few new entities. Most of these can wait, but I need one formed more urgently so that we can get the entity set up as a FERC filer.

The name that Adam wants is ET-S Pipeline Company LLC. Not sure who all we need to approve, but Adam Arthur is the business person requesting the entity be formed.

Can you help me get that formed? Please give me a call with any questions. Thanks so much. Scott
